Francisco:  
[Spoken]  
Cassie (Hey)  
Francisco (Hey)  
The Official Girl Answer Back

Listen, I know that today makes it a year  
Since you and I linked up and we met on the boat  
And guess what  
Could be all too good to be true  
But I know I meant when I

Told you that I love you, baby girl  
And that no one will get between us  
And that I will give you all of me  
Do you follow me?  
And I don't want you to feel like I let you down

And I hope you understand (understand)  
I don't wanna be (be)  
Your unofficial man (unofficial man)  
And I hope you understand (oh yeah, I wanna)  
Girl I wanna be (be)  
Your official man  
I wanna get to love you

I wanna love you in the light in the dark (I wanna get to  
love)  
I wanna give you give you all of my heart (wanna get to  
love you)  
I wanna be your (be your)  
Your official man  
Said I wanna wanna wanna be your (be your)  
Official man  
I wanna be your official man  
I wanna be your official man  
Official man (Official man)

Cassie:  
If you keep this up there's bound to be a mess cuz I  
ain't really like duress

Put to the test I could surely pass  
You better do the math  
I'm so stylish  
So bossy  
It'd be ashamed to say you lost me  
But if you want that  
It's a wrap  
And I won't look back  
(And I won't look back)

[Chorus]  
And I'm tired  
I'm tired  
I'm tired  
Of being your  
(Your) Unofficial girl  
Unofficial girl  
And I'm tired  
I'm tired of trying  
(Ooh but I'm still your)  
I'm still your unofficial girl

(You gotta learn to love me)  
You gotta love me in the light and the dark  
You gotta give me, give me  
All of your heart  
I wanna be your official girl  
Said I wanna wanna wanna be your (Be your)  
Official girl  
I wanna be your official girl  
I wanna be your official girl  
Official girl (Official girl)

I miss you girl  
I miss you girl  
I'm'a make you my official girl

[Bridge]  
You better act right  
I'm two seconds from being out the door

I miss you girl  
I miss you girl  
I'm'a make you my official girl

Said I won't be with you unofficially anymore  
And I can't make you choose  
Long as you're cool on knowing you're bout to blow a  
good thing  
And I ain't making ultimatums I'm'a tell you this  
verbatim

And I'm tired  
I'm tired  
I'm tired  
Of being your  
(Your) Unofficial girl  
And I'm tired  
I'm tired of trying  
I'm still your (Your) unofficial girl

(You gotta learn to love me)  
You gotta love me in the light and the dark  
You gotta give me, give me  
All of your heart  
I wanna be your official girl  
Said I wanna wanna wanna be your (Be your)  
Official girl  
I wanna be your official girl  
I wanna be your official girl  
Official girl (Official girl)

I miss you girl  
I miss you girl  
I'm'a make you my official girl ly
