Rainy days are here again
It's the time of year my friend
And I pray it never ends for you,
For me, for them...

You and I, we're meant to be
I am you and you are me
A drop of water in the sea
Of life we're love runs deep

Rainy days are here again
It's the time of year my friend
And I pray it never ends for you,
For me, for them...

Look at me, look at us now
We always knew someday, somehow
This day will come now it's here
She'd a tear is what I fear...

Rainy days are here again
It's the time of year my friend
And I pray it never ends for you,
For me, for them...
