

## Francis Dunnery "Revolution"

Visit "[Revolution](#)" on MotoLyrics.com

How can I sing like an angry man  
When I'm not particularly angry anymore  
I'm selling hope to all the people  
Like selling sins to the devil  
But the TV shows another war  
I think I'll start a fire and throw it on  
I'm as free as a bird  
I didn't have the time to read the headlines  
Spent my whole life  
caught up somebody else's dead lines  
But freedom's calling revolution  
Freedom's calling Revolution inside  
How can I sing like a bitter man  
When I'm not particularly bitter anymore  
I'm selling light to all the people  
Like selling scent to the flowers  
But the TV shows a world at war  
But 98% are not at war!  
I was raised by my mam  
We didn't have the time to meet the breadline  
I spent my whole life  
caught up in a cloud to make the headlines  
But freedom calling me revolution  
Freedom calling Revolution inside

The doctor comes and he's looking for a reason  
Selling you pills for the next flu season  
Bus stop sign says your gonna get ill  
The drug store sign says your gonna get ill  
The TV says you better watch your back  
It will all be well with a vitamin pack  
Therapy says that you're all wrong inside  
Dirt and filth in the back of your mind  
But the only thing wrong with you and me  
is the lies they sell so you can't be free  
So trust yourself  
and I swear I saw the promised land  
I swear I saw an eagle  
I swear I feel an evolution  
I swear I feel a Revolution  
Maybe its the time for another Revolution  
Maybe its a sign to question constitution

They say the national interest is mine but I don't need  
the  
illusion  
They paint another crisis sign but I don't buy pollution  
Freedom's calling Revolution inside
