Kami'y mga zombie nakaharap sa tv
Mula sa morning hanggang sa evening
Heavy breathing controls were keeping
Mga beeper keeps beeping
And we really hate sleeping
Coz were pushers, the pushers of button
On off, off on these are the weapons
Son of a bitch, son of a gun, I only want to win one
Give me the microphone and let me flow into the next
one
And a two and a three four
Coz I be dropping metaphors, just like ships be
dropping anchors
Sige na alam nyo naman kung sino ang dapat
Kung bumanat ay makamandag nakalalason ang kagat
Di masukat ang dami ng sinulat
Sing alat ng asin at sing lalim ng dagat
Hall of fame the box score shows my name
On the screen if you know what I mean it's hard to
maintain
All the games in the world and that's my word
I only take first not second or third

Nakalimutan na namang kumain
Lumamig na ang kanin
Walang kasawa sawang handang lumain
Lahat ng kalaban
Sinipa, bumalentong, sumuka ng tv colored
I'm forever searching for the code of immortality
Get up and don't bug me
I'm gonna be busy till the end of the century
And that's how it's gonna be

Ang tindi ng sapot
Tindi ng sapot
Kahit saan umaabot
Ang tindi ng sapot
Tindi ng sapot
Lagi na lang pumapalaot

I'm a gamer, and I'm a nerd I'm a geek

Playing a game of hide and seek
Count to ten I wont peek
Sham shui po is the promise land
Catch me if you can
I'm the man with golden hand
In the tan van

Fingers itch, my eyes twitch
At the flick of a switch
There's a glitch in the program
Nag hang, kasi ito'y bootleg
Pirata lang, at ang kopya'y di orig
One to sawa, mula gabi hanggang umaga
Kaya naman galit sa akin ang aking asawa
Rpg first person perspective
Action, adventure or any interactive medium
Give me the pad, and I'll be shooting them
I need some rest, I need to catch my breath
I feel the need to flex yo raymund wha'ts next

Speeder than a fasting bullet
I got beamed by a laser before I could pull it
The cyborg with a mullet is coming so fast
I got blasted getting blinded by the light with a flash
pack
Talking to the screen is normal
Entering a portal
Connecting to the digital box
Get mental, the mics in the ufo
So get down with the planet garapata on tow

Ang tindi ng sapot
Tindi ng sapot
Kahit saan umaabot
Ang tindi ng sapot
Tindi ng sapot
Lagi na lang pumapalaot

We don't need to sleep no more
We are electric to the core
Inside the cyber age stage
All the secret missions
Cathode ray mission
Blasting alien insects in cyber space

Ang tindi ng sapot
Tindi ng sapot
Kahit saan umaabot
Ang tindi ng sapot
Tindi ng sapot
Lagi na lang pumapalaot
