Sunshine
You're my only daylight
Sweetheart, stay clean
And everything will be alright

And I got sunshine
Somewhere, sometime
And I will always be your sweetheart
And you'll always be mine

Sunshine
You know how hard I try
Sweetheart, stay close
And I will treat you right

'Cause I got sunshine
Somewhere, sometime
And I will always be your sweetheart
And you'll always be mine

Sunshine
You're the most beautiful thing
That I ever saw in my life
Sweetheart, I don't know why it's right
All I remember is the good times

And I can't stop this feelin'
And I can't turn the tide
And I can't stop this love from falling down
I got nowhere to hide

Sunshine, you'll always be mine
Sunshine, you'll always be mine
Sunshine, always be mine
