My my my,
Baby lookin so fine, looking so damn fly
Baby, my my my
Baby lookin so fine, looking so damn fly
Baby my my my
Baby lookin so fine, looking so damn fly
Baby, my my my
Baby lookin so fine, looking so damn fly
Go!

I don't think I remember when the last time I
Looked at another woman and she caught my eye
Until the day I saw you, then I changed my mind
Girl you changed my mind, baby

There ain't no need for me to lie to you
I'll just walk up to you and say what it do
And hopefully you ain't got no man or dude
'Cause baby, it's on tonight

Shorty you got it, you know it and I want it, yeah
Ain't no emotion more beautiful than loving, yeah
Shorty just tell me you're down for the late night, yeah
All you gotta do is tell me, tell me, tell me

Chorus:
Tell me what you want from me baby, baby
'Cause I know what it is that I want from, want from you
Let all your inhibitions go baby, baby
All you gotta do, all you gotta, all you gotta do is tell
me, tell me tell me

Spoken:
Here we go, go
Girl let's kick it, let's go
Go girl, kick it back, kick it back girl
REMIX!

Spanish Lyrics

My my my,

Baby lookin so fine, looking so damn fly
Baby, my my my
Baby lookin so fine, looking so damn fly
Baby my my my
Baby lookin so fine, looking so damn fly
Baby, my my my
Baby lookin so fine, looking so damn fly
Go!

Shorty you got it, you know it and I want it, yeah
Ain't no emotion more beautiful than loving, yeah
Shorty just tell me you're down for the late night, yeah
All you gotta do is tell me, tell me, tell me

Tell me what you want from me baby, baby
'Cause I know what it is that I want from, want from you
Let all your inhibitions go baby, baby
All you gotta do, all you gotta, all you gotta do is tell
me, tell me tell me

Tell me, tell me (tell me)
All you gotta do is tell me, tell me, tell me
