Eh! yo, Miss you know what's on my wish list?
A slacked in a kiss in a state of bliss
I reminisce you can't resist all the amorous
Mega glamorous ways to contain
Palpitating in my main brain
Lips like yours are so kissable unbelievable
Unquenchable for the individual
You and I gotta get connected, gotta hooked up
Gotta looked up ways for us to cooked up a fish
A dish you know what's on my wish
To bring the ball down court for the easy swish
I always get to urged when you around me, you stound
me
And I'm so glad that you found me
Cuz I never missed a chance for some hot romance
Just a kiss is all i wish for
Can we hold hands for just a seconds
Or just give me a minute let me get close and taste
those
I wanna kiss it

Miss can i have a kiss, miss can i have a kiss
Miss can i have a kiss, can i have a kiss for my little
miss
Miss pwede bang kumiss, miss pwede bang pakiss
Miss pwede bang kumiss, miss na miss kita
Miss pwede bang kumiss

Miss, miss pwede bang kumiss sayo ngayon?
O bukas, makalawa sa mahabang panahon
Nalilito, at hindi ako makapag-isip
Sa lakas ng tibok ng puso ko dibdib ko'y sumisikip
Sa bawat silip at sulyap hinde ako kumukurap
Tamis ng labi mo kay sarap sa twing ika'y kumikindat
Pumapalampak ang tenga ko sa galak
Isa kang bulaklak na humahalimuyak,
Humahalina sa twina at nangagayak
Parang bubuyog na sumusunod-sunod ako sa bango
Tinatakam, tinutukso-tukso lumulukso ang pulso ko
Nakakagigil, walang sinuman sa akin ay makakapigil
Miss meron lang akong itatanong sayo

Miss, miss pwede ba akong kumiss sayo ngayon?

Miss pwede bang kumiss, miss pwede bang pakiss
Miss pwede bang kumiss, miss na miss kita
Miss pwede bang kumiss
Miss can i have a kiss, miss can i have a kiss
Miss can i have a kiss, can i have a kiss for my little
miss

Miss can i have a kiss, miss can i have a kiss
Miss can i have a kiss, can i have a kiss for my little
miss
Miss pwede bang kumiss, miss pwede bang pakiss
Miss pwede bang kumiss, miss na miss kita
Miss pwede bang kumiss

Miss can i have a kiss, miss can i have a kiss
Miss can i have a kiss, can i have a kiss for my little
miss
Miss pwede bang pakiss, miss pwede bang kumiss
Miss pwede bang pakiss, miss na miss kita
Miss pwede bang kumiss
