Man from Manila by Francis Magalona

I am the Man from Manila, Kami ang tinig na  
kayumanggi

I am the man from Manila, Buhayin natin ang himig ng  
lahi.

Ako'yang Manileño taga Mandaluyong, Nais kung  
gumalaw isigaw sa buong mundo  
Nasaan ang sikat ng araw, Dito sa silangan inyong  
matatanaw

Pitong libong islang puro luntian, Napapaligiran ng  
karagatan, Tayo'y nabubuhay sa archipelago  
Dayuhan ay biglang pumasok at sumakop sa atin,  
Sabihin na sila'y kailangan natin

Tayo'y mga alipin sa sariling lupain. Tinamnan ng  
ninuno. Perlas ng Silanganan.

Inararo ang likas na mayamang Pilipinas. Mindanao,  
Visayas at Luzon.

I'm ready to defend the 3 stars and the sun. Manila  
ang sabi ng iba ay Maynila.

Tayo'y isinilang para upang di maging alila ng kahit  
nino mang sino mang dayuhan.

Mandirigmang mga likas na matapang. Guerilyero,  
Katipunero mga Marino.

Handang ipagtaggol ng mga sundalong pinoy Hoy!  
Gising! Huwag nang mabahala siyempre coz I'm the  
man from Manila.

I am the Man from Manila, Kami ang tinig ng  
kayumanggi

I am the man from Manila, Buhayin natin ang himig ng  
lahi.

The Man from Manila, the killer, the show stopper  
Depth rhyme creator, deep like a crater  
Mentally equipped to rippin' up opposition, in a  
second a heartbeat make you move your feet.  
Rock to the beat that MOD can cut a groove to coz  
Francis Magalona's here to move you  
Make you understand, complicated but still I made it, A  
long hard climb to the top but still I've waited for my

chance of a lifetime by rhyming dope rhymes.  
Make you get a feel of what it's like to be me one  
time, I was a young blood growing up reckless but God  
showed me the way and redirect this channel, And  
fought with a vision of a new tomorrow that the land  
that I loved be relieved of its sorrow.  
And peace revitalized can reign once and forever  
make this land greater start with the Man from Manila.  
A man is still a brand new authority, The dance floor  
king in full effect superiority, of hip hop madness  
rhymes of royal badness. From the time I perform to  
when I'm finished.  
You'll be glad this, records rotating coz you've been  
waiting all night to get up and move your body right.  
Now's the time to let it all show. Just Go with the flow  
now you know that it's the Man from Manila

Repeat Chorus
