There she goes
takin' off all her clothes
She knows what that does to me
She get's me in the mood to be

-

I put my hands up on her waist
I press my lips against her face
then take her to another place

Deam, deam girl oow!
You move your body like a naked model
Whinin' and shakin' of control
(shakin' of control)
Shakin' of control

That girl is an animal
She brings out the animal
in me

-

That girl is an animal
(an animal)
She's out of control

You so crazy, you so crazy, you so crazy girl
You so crazy, you so crazy, you so crazy girl
Shake it, shake it, shake it, shake it, shake it, shake it
girl
Let me see just how you do it

Now I'm here
and now im switchin' ears
I'm tryin' not to let it show
'cause I know that she can smell the fear
The fear inside me
I'm lettin' shawty take control
Take control of my body and my soul
'cause all along that's what she want's to hear

Deam, deam girl oow!
You move your body like a naked model

Whinin' and shakin' of control (she's out of control)
Shakin' of control

That girl is an animal
She brings out the animal
in me

-

That girl is an animal
(an animal)
She's out of control

So sexy
