I told u I'm takin over ya'll  
Yep  
Haha  
Francisco  
Girl  
Lemme holla at u first seconds  
Huh, listen

Sittin in the parkin lot  
Waitin on you to come threw  
I know this u were at the bar  
And I know that u know this me to  
I'm not tryna spit some games  
But I really wanna know ur name  
U gotta a pretty little face to blame  
What the help of a crazy frame

So should I ask her if she's down  
(Oooooorr should I wait)  
Until she leaves and goes arround  
(Hey watchin her turn all up in down)  
I'm not believen what I see  
(Shes steady walkin straight to me)  
Here's ma chance to let her know  
That I'm the way that this girl needs to go

Girl, I wanna take u home wid me  
Even though I don't know who u are  
I jus wanna get up in ur space  
And show u how I get down and then  
I wanna take you by the hand  
And let u know u found a man  
Fullfill ur needs I know I can  
And u know that I'm ya man

Uh so lets lets lets go  
Lets lets lets go back to my spot girl  
Ey, uh  
So lets lets lets go  
Lets lets lets go go go go go  
Ey(ey)
