Francisco:

[Spoken]

Cassie (Hey)

Francisco (Hey)

The Official Girl Answer Back

Listen, I know that today makes it a year
Since you and I linked up and we met on the boat
And guess what
Could be all too good to be true
But I know I meant when I

Told you that I love you, baby girl
And that no one will get between us
And that I will give you all of me
Do you follow me?
And I don't want you to feel like I let you down

And I hope you understand (understand)
I don't wanna be (be)
Your unofficial man (unofficial man)
And I hope you understand (oh yeah, I wanna)
Girl I wanna be (be)
Your official man
I wanna get to love you

I wanna love you in the light in the dark (I wanna get to
love)
I wanna give you give you all of my heart (wanna get to
love you)
I wanna be your (be your)
Your official man
Said I wanna wanna wanna be your (be your)
Official man
I wanna be your official man
I wanna be your official man
Official man (Official man)

Cassie:

If you keep this up there's bound to be a mess cuz I
ain't really like duress
Put to the test I could surely pass

You better do the math
I'm so stylish
So bossy
It'd be ashamed to say you lost me
But if you want that
It's a wrap
And I won't look back
(And I won't look back)

[Chorus]
And I'm tired
I'm tired
I'm tired
Of being your
(Your) Unofficial girl
Unofficial girl
And I'm tired
I'm tired of trying
(Ooh but I'm still your)
I'm still your unofficial girl

(You gotta learn to love me)
You gotta love me in the light and the dark
You gotta give me, give me
All of your heart
I wanna be your official girl
Said I wanna wanna wanna be your (Be your)
Official girl
I wanna be your official girl
I wanna be your official girl
Official girl (Official girl)

I miss you girl
I miss you girl
I'm'a make you my official girl

[Bridge]
You better act right
I'm two seconds from being out the door

I miss you girl
I miss you girl
I'm'a make you my official girl

Said I won't be with you unofficially anymore
And I can't make you choose
Long as you're cool on knowing you're bout to blow a
good thing
And I ain't making ultimatums I'm'a tell you this
verbatim

And I'm tired
I'm tired
I'm tired
Of being your
(Your) Unofficial girl
And I'm tired
I'm tired of trying
I'm still your (Your) unofficial girl

(You gotta learn to love me)
You gotta love me in the light and the dark
You gotta give me, give me
All of your heart
I wanna be your official girl
Said I wanna wanna wanna be your (Be your)
Official girl
I wanna be your official girl
I wanna be your official girl
Official girl (Official girl)

I miss you girl
I miss you girl
I'm'a make you my official girl ly
