[Spoken]

Cassie (Hey)

Francisco (Hey)

The Official Girl Answer Back

Listen, I know that today makes it a year

Since you and I linked up and we met on the boat

And guess what

Could be all too good to be true

But I know I meant when I

Told you that I love you, baby girl

And that no one will get between us

And that I will give you all of me

Do you follow me?

And I don't want you to feel like I let you down

And I hope you understand (understand)

I don't wanna be (be)

Your unofficial man (unofficial man)

And I hope you understand (oh yeah, I wanna)

Girl I wanna be (be)

Your official man

I wanna get to love you

I wanna love you in the light in the dark (I wanna get to love)

I wanna give you give you all of my heart (wanna get to love you)

I wanna be your (be your)

Your official man

Said I wanna wanna wanna be your (be your)

Official man

I wanna be your official man

I wanna be your official man

Official man (Official man)

Cassie:

If you keep this up there's bound to be a mess cuz I ain't really like duress

Put to the test I could surely pass

You better do the math

I'm so stylish

So bossy

It'd be ashamed to say you lost me

But if you want that

It's a wrap

And I won't look back

(And I won't look back)

[Chorus]

And I'm tired

I'm tired

I'm tired

Of being your

(Your) Unofficial girl

Unofficial girl

And I'm tired

I'm tired of trying

(Ooh but I'm still your)

I'm still your unofficial girl

(You gotta learn to love me)

You gotta love me in the light and the dark

You gotta give me, give me

All of your heart

I wanna be your official girl

Said I wanna wanna wanna be your (Be your)

Official girl

I wanna be your official girl

I wanna be your official girl

Official girl (Official girl)

I miss you girl

I miss you girl

I'm'a make you my official girl

[Bridge]

You better act right

I'm two seconds from being out the door

I miss you girl

I miss you girl

I'm'a make you my official girl

Said I won't be with you unofficially anymore

And I can't make you choose

Long as you're cool on knowing you're bout to blow a  
good thing

And I ain't making ultimatums I'm'a tell you this  
verbatim

And I'm tired

I'm tired

I'm tired

Of being your

(Your) Unofficial girl

And I'm tired

I'm tired of trying

I'm still your (Your) unofficial girl

(You gotta learn to love me)

You gotta love me in the light and the dark

You gotta give me, give me

All of your heart

I wanna be your official girl

I'm'a make you my official girl ly
