wait 'til you get the new, wait 'til you get the news that  
she's, about to do the same thing, about to play the  
same game

(Chorus)

When your good girls gone bad whatcha gonna do  
when she's up there doin' the things that you do, When  
your good girls gone bad whatcha gonna say when  
she's up there playin' the games that you play

(Bridge)

Whatcha gonna say to that, whatcha gonna do when  
she hurts you, Whatcha gonna say to that, whatcha  
gonna do  
Whatcha gonna say to that, whatcha gonna do when  
she hurts you, Whatcha gonna say to that, whatcha
