Avenue Park  
my life in the dark  
I with me  
do you smile  
for arabian style  
I like hit  
Miami Beach boys  
children with toys  
across the universe.  
Chan-son egocentrique  
self centred song  
Chan-son egocentrique  
self centred song.  
Chi sono, dove sono  
quando sono assente di me  
da dove vengo, dove vado  
dalla pupilla viziosa delle nuvole  
la luna scende i gradini di grattacieli  
per prendermi la vita.  
Chan-son egocentrique ecc.  
Central Park  
I love in the dark  
Ich bin klein  
people sang  
around the campfire ground  
I remember  
prehistoric sound  
was the time of the dinosaur age  
Oh, Nein.  
Chan-son egocentrique ecc.  
Mi dice  
sui seni nudi muoio d'amore  
quando vedrai la mia ragazza  
dille che io l'amo.  
Chan-son egocentrique ecc.
