Every day he repeated the same thing: I want to go to New York

I'm tired of underdevelopment live better

So one day I decided to go north

although everyone called him 'you are crazy'

are not prepared for a world like that

there will be no place for a guy like you

What! I'm Latino

I'm not from New York, spoke only Spanish

I'm Latino, I am also a human being Yes!

Eh, eh, eh, eh I'm American

someone please give me a hand

Like give me any work

Come on baby show me that you know you do ...

nothing important, I'm in for anything ...

You have your papers or I'll send you away ...

and first copyrighted work.

I'm Latino, I'm not from New York, spoke only Spanish

I'm Latino, I am also a human being Yes!

They spent a few years

Just clean it up from top to bottom

was what made for a pittance

and has already lost a few pounds

He had to marry for that visa

and women lost what little he had

and one of those nights walking in the way

and without rhyme or reason the police took him

I'm Latino, I'm not from New York, spoke only Spanish

I'm Latino, I am also a human being Yes!

I'm Latino, I'm not from New York, spoke only Spanish

I'm Latino, here is my green card

do not accuse me of illegal

I'm Latino, I'm not from New York, spoke only Spanish

I'm Latino, I am also a human being Yes!

I'm Latino, I'm not from New York ...
