Down in the green fields where it's cool and it's clean
We'll go Bowm Bowm Bowm
Just bring your heart and your very first dream
Let it Bowm Bowm Bowm
And if I kiss you and the day begins to shine
Will you Bowm Bowm Bowm?
Offer me roses and a deep red wine for our Bowm
Bowm Bowm

Make me a tree leaf to shine like it's gold
And I'll wear it on my finger, catch me a rainbow before
it is gone
Is it Bowm Bowm Bowm? Bowm Bowm Bowm

Clear through the evening from moonrise till dawn
We'll go Bowm Bowm Bowm
Softly by starlight, there true love is bound
You'll say Bowm Bowm Bowm
And with the dawning, where the dew diamond shines
I'll say Bowm Bowm Bowm
Ring on my finger, I will be there, Bowm Bowm Bowm

Make me a tree leaf to shine like it's gold
And I'll wear it on my finger, catch me a rainbow before
it is gone
Is it Bowm Bowm Bowm? Bowm Bowm Bowm, Bowm
Bowm Bowm.
