Shades of wine, love keeps dancing through my mind  
No I can't escape this time all because of you  
Yesterday, love was just a word to say  
Overnight a holiday, all because of you

So unreal, life was just a ferris wheel  
Till you told me how to feel things I never knew, darlin'

Summer rain, echoing a sweet refrain  
Love is such a tender pain, all because of you  
So unreal, life was just a ferris wheel  
Till you told me how to feel things I never knew, darlin'  
Summer rain, echoing a sweet refrain  
Love is such a tender pain, all because of you  
All because of you, all because of you.
