Catch a falling star and put it in your pocket, never let it  
fade away

Catch a falling star and put it in your pocket, save it for  
a rainy day

Catch a falling star and put it in your pocket, never let it  
fade away

Catch a falling star and put it in your pocket, save it for  
a rainy day

For love may come and tap you on the shoulder, some  
starless night

And just in case you feel you want to hold her

You'll have a pocketful of starlight

Catch a falling star and put it in your pocket, never let it  
fade away

Catch a falling star and put it in your pocket, save it for  
a rainy day

For when your troubles start a-multiplying and they just  
might

It's easy to forget them without trying with just a  
pocketful of starlight

Catch a falling star and put it in your pocket, never let it  
fade away

Catch a falling star and put it in your pocket, save it for  
a rainy day

Catch a falling star and put it in your pocket, never let it  
fade away

Catch a falling star and put it in your pocket, save it for  
a rainy day

Never let it fade away, save it for a rainy day.
