What can I say? He's walking away from what we've
seen
What can I do? Still loving you, it's all a dream

How can we hang on to a dream?
How can it really be the way it seems?

What can I do? He's saying we're through with how it
was
What will I try? I still don't see why, he says what he
does

How can we hang on to a dream?
How can it really be the way it seems?

What can I say? He's walking away from what we've
seen
What can I do? Still loving you, it's all a dream

How can we hang on to a dream?
How can it really be the way it seems?
How can we hang on to a dream?
