Broken windows and empty hallways  
Pale dead moon in a sky streaked with grey  
Human kindness overflowing and I think it's gonna rain  
today  
Scarecrows dressed in the latest styles  
With frozen smiles to chase love away  
Human kindness overflowing and I think it's gonna rain  
today

Lonely, lonely tin can at my feet  
Think I'll kick it down the street, that's the way to treat a  
friend

Bright before me the signs implore me  
"Help the needy and show them the way"  
Human kindness overflowing and I think it's gonna rain  
today

Lonely, lonely tin can at my feet  
Think I'll kick it down the street, that's the way to treat a  
friend

Bright before me the signs implore me  
"Help the needy and show them the way"  
Human kindness overflowing and I think it's gonna rain  
today.
