Take my hand for a while, explain it to me once again  
Just for the sake of my broken heart, look into my eyes  
And maybe I will understand how love I'd counted on  
Was never there, you see, I thought that you might love  
me

So you caught me it seems off-balance with a heart  
that's full  
Of love and pretty dreams that two should share

And so I know, but please before you go  
Take my hand for a while, explain it to me once again  
Just for the sake of my broken heart.
