(Françoise Hardy) adaptation anglaise Sonny Miller

There'll come a time other eyes will admire you  
Maybe some time other hearts may desire you  
This they will do and my days will be stormy  
But when they do you can do something for me

Tell them you're mine, tell them you're mine

Tell them you're mine, leave no reason to doubt you  
Then underline, I'd be lonely without you  
Give me a sign that your heart will be true  
Tell them you're mine and I can't live without you

Tell all the world you will never be free  
Tell them you're mine then my darling tell me, tell me.
