That'll be the day when you say goodbye
That'll be the day when you make me cry
You say you're gonna leave, you know it's a lie
'Cause that'll be the day when I die

You gave me all your lovin' and all your turtle dovin'
Your hugs and kisses and your money too
You know you love me baby until you tell me maybe
That someday, well, I'll be through

That'll be the day when you say goodbye
That'll be the day when you make me cry
You say you're gonna leave, you know it's a lie
'Cause that'll be the day when I die

When Cupid shot his dart, he shot it at your heart
So if we ever part and I leave you
You say you told me and you told me boldly
That someday, well, I'll be through

That'll be the day when you say goodbye
That'll be the day when you make me cry
You say you're gonna leave, you know it's a lie
'Cause that'll be the day when I die.
