"The Ocean"

Saw the ocean, said of it, nothing's bigger than this
Took the sea flowers from the sand, held the shells in
my hand
Really need a, really need a friend, oh, let the sea my
troubles mend
Let the sea, let the sea, let the sea my troubles mend

Let the wind blow through my hair, a speck of dust
standing there
Yes, I saw the ocean, said of it, nothing's bigger than
this
Really need a, really need a friend, oh, let the sea my
troubles mend
Let the sea, let the sea, let the sea my troubles mend.
