Show me the prison, show me the jail  
Show me the prisoner who's life has gone stale  
And I'll show you a young man with so many reasons  
why  
There but for fortune, go you or I

Show me the alley, show me the train  
Show me the hobo who sleeps out in the rain  
And I'll show you a young man with so many reasons  
why  
There but for fortune, go you or I

Show me the whisky stains on the floor  
Show me the drunkard as he stumbles out the door  
And I'll show you a young man with so many reasons  
why  
There but for fortune, go you or I

Show me the country where bombs had to fall  
Show me the ruins of buildings once so tall  
And I'll show you a young man with so many reasons  
why  
There but for fortune, go you and I, go you and I.
