Who'll be the next in line, who'll be the next in line for
heartaches?

Who'll make the same mistakes I made over you?

Who'll be the next in line, who'll be the next in line for
you?

Who'll be the next in line, who'll be the next to watch
your love fade

All your affections finally fade away?

There'll be no use in sighing, who'll be the next in line
for you?

One day you'll find out when I'm gone

I was the best one you had, I was the one who gave you
love

Who'll be the next in line, who'll be the next in line for
heartaches?

Who'll make the same mistakes I made over you?

Who'll be the next in line, who'll be the next in line for
you?

One day you'll find out when I'm gone

I was the best one you had, I was the one who gave you
love

Who'll be the next in line, who'll be the next to watch
your love fade

All your affections finally fade away?

There'll be no use in sighing, who'll be the next in line
for you, for you?
