I'm gonna fly again because I just can't feel it
I'm gonna jump again into this old blue sky... now!

I'm gonna fly again because I just can't feel it
I'm gonna jump again into this old blue sky...

What if I hit the ground?
If all these houses came closer?

Would I feel you in my skin?
Would it be like it used to be?

Would I feel our naked bodies?
Would I feel that heat again?
Would I feel our bodies rising
to the top of my refrain?

I'm gonna fly again because I just can't feel it
I'm gonna jump again into this old blue sky...
I'm flying for forgiveness and pain
I'm flying for forgiveness and pain
