"What Came Along"

Fever in the east
On a small green hall
A tyrant tries again
I will leave no song

Fever in the west
On a tiny wall
Burglar of my dreams
And what came along

And I'm waiting for you to fall
Liar beats my wrath, and the fallen oath
And I'm waiting for you to fall
Liar beats my breath, and what came along

Fiddler in my dreams

Every way beyond
Storming once again
Roaming wide no more

There's a will to see
Leaving rails so long
Wicked velvet eyes
And what came along

And I'm waiting for you to fall
Liar beats my wrath, and the fallen oath
And I'm waiting for you to fall
Liar beats my breath, and what came along

High above again

High
