"Closer To Me"

I know you want me, yeah
On your own sometime today
I'm looking to somebody, yeah
Gotta hold some down today

BRIDGE

And I should've known that was something to do-oo
And I should've known better when I'm dancing with
you-oo
With a little magic I guess that I do-oo
So listen when I say, I'll never love again, no don't go,
damn it's you

CHORUS

Closer to me, you get so closer to me
You take me higher than I need so don't go never
You get closer to me, you get so close I can't breathe

You're getting higher than I need so don't go never

CODA 1

You're giving me the wrong girl, understand
Your loving made me up down, in your hand
Cos? all I need to bring me on the floor
Your love has only made me want you more

CODA 2

Ooooh-oooh, oh baby I love you
Ooooh-oooh, yeah that's how I feel
Ooooh-oooh, oh, baby I love you
Ooooh-oooh, now I'm breaking the deal

Ostinato Coda 2 and Chorus to fade
