Frank Bakken

"Born Under A Bad Sign"

Born under a bad sign
Never had any peace of mind
Born under a bad sign
Never had any love in my life

I where never born to fly
God never gave me wings
I where never born to fly
He never gave me wings

Born under a bad sign
Never had any peace of mind
Born under a bad sign
Never had any love in my life

I was born into a world
Where no one cares about anything
I had to stand up on my own to feets
And fight for my right to live in peace

Born under a bad sign
Never had any peace of mind
Born under a bad sign
Never had any love in my life
