Feel the beat, feel the beat
Feel the beat of my heart now

When you turn your head in my direction
My heart starts beating like a drum.
Your dark eyes shining like a fire
You stole your beauty from an angel

Come on over be my lover
IÂ´ll be over you be under
Come on over be my lover
IÂ´ll be over you be under

The way you move, you're like a tiger
You turn me on youÂ´re my desire
Your hair is black, black as night
I guess the raven misses it's colour

Come on over be my lover
IÂ´ll be over you be under
Come on over be my lover
IÂ´ll be over you be under

The way you walk the way you talk
ItÂ´'s electric
When you touch me the angels sings
ItÂ´'s electric
I wanna feel your touch
ItÂ´'s electric

Come on over be my lover
IÂ´ll be over you be under
Come on over be my lover
IÂ´ll be over you be under
