Don't leave me!

Music & Lyrics By: Frank Bakken

If you see me crying tonight
It's just because... I miss you so
It's just because
It's just because... I miss you so
It's just because

If you walk away tonight and leave me with a broken
heart
I can't face another day and give my heart away
again
I could never love again and share my life with anyone
You're the one and only girl that rock my world so I
could die

Don't leave me, don't leave me
Please stay with me
Don't leave me, don't leave me
My love is real
I will be I will be
All that you want
I will be I will be
Holding you tight

So stay, so stay
Please, please

Only you can make me feel that life is sweet and days
are bright
Only you can make my life go from dark into the light
So please remember this my love won't fade away
like mist
I'll be yours until the end of time never leave you
never die

Don't leave me, don't leave me
Please stay with me
Don't leave me, don't leave me
My love is real
I will be I will be

All that you want
I will be I will be
Holding you tight

So stay, so stay
Please, please
