Fame everybody knows my name  
Fame I just wanna play this game  
Fame Everybody knows my name  
Fame I just wanna be a celebrity

They say I can sing...yes I am the king  
They say I can dance..hell not a chance  
They say IÃfÃ,Ã,Ã´m so handsome..cause I look like a  
model  
They say I am a star...yes IÃfÃ,Ã,Ã´m a star

You know what I like..yes give it to me babe  
Fortune and fame...mmm I love it  
Money and girls...give me more, give me more  
My face on the screen...yes thatÃfÃ,Ã,Ã´s what  
youÃfÃ,Ã,Ã´ve seen

Fame everybody knows my name

Fame I just wanna play this game  
Fame Everybody knows my name  
Fame I just wanna be a celebrity

They say I can sing...yes I am the king  
They say I can dance..hell not a chance  
They say IÃfÃ,Ã,Ã´m so handsome..cause I look like a

They say I am a star...yes IÃfÃ,Ã,Ã´m a star

You know what I like..yes give it to me babe
