I believe there is a God  
Who cares for you and me  
I believe there is a God  
Who loves you and me

You and I know  
There is something more,  
That we can't see with our eyes.  
We caught a glimpse of light in darkness  
We know there is a God who cares for us

I believe there is a God  
Who cares for you and me  
I believe there is a God  
Who loves you and me

You and I've seen  
The glory of God  
Shining down from heaven above  
A child was born  
Into this world  
A savior who bought us free from sin

I believe there is a God  
Who cares for you and me  
I believe there is a God  
Who loves you and me
