They say he is not true
They say he is not real
They claim it's just a fairytale
Just another childish dream

Know it's true
Know it's real
Know he died
For you and me
Know it's true
Know it's real
Know he rose
For you and me

You don't want to see
You don't want to hear
You think that what you see
Is the only reality?

Know it's true
Know it's real
Know he died
For you and me

Know it's true
Know it's real
Know he rose
For you and me

They say he is not true
They say he is not real
They claim it's just a fairytale
Just another childish dream

Know it's true
Know it's real
Know he died
For you and me
Know it's true
Know it's real
Know he rose
For you and me
