Sitting here in this empty room  
No place else to go, just sitting here and  
Dreaming of you, but you are  
Thousand miles away.

I am longing for you babe  
Should wish you where here with me  
I am longing for you babe  
Should wish you where here with me

Many years has gone,  
But our is still going strong  
A lot of things has been changed in our lives,  
But our love is the same

I am longing for you babe  
Should wish you where here with me  
I am longing for you babe  
Should wish you where here with me
