(Verse 1)

Crazy feelings when I look at you
Read my dreams everytime I know
How can it be
How can you see
Crazy feelings in my heart tonight

(Bridge)

I want to touch you
I want to love you
Whisper your name and be with you

(Chorus)

Run away
Run away
Run away with me tonight

Run away
Run away
Run away with me tonight
And don't look back tonight

(Verse 2)

Thinking of you everywhere I go
Never leave me you are always on my mind
You set me free
you make me see
Crazy feelings in every singel way

(Bridge)

I want to touch you
I want to love you
Whisper your name and be with you

(Chorus)

Run away
Run away
Run away with me tonight

Run away
Run away

Run away with me tonight
And don?t look back tonight
