Once eric said "come gather 'round I'll tell a tale that is  
sure to astound un-somnambulist that's awake see he  
don't sleep talkin' talkin' ne break walkin' nut you don't  
believe oo-oooh no,

Don't believe no, you don't believe

As to his fame he has two claims he is a don and as  
well a captain un-somnambulist he was awake see for  
eighty-five weeks with no sleep it's crazy maybe but  
you don't believe oo-oooh no, you do't

Eve no, you don't believe

They called him freak and he lost all his friends could  
only speak to the boys in the band un-somnambulist  
you stay awake and see what happens eighty-five  
weeks with no nappin' but you don't bel

Oo-oooh no, you don't believe no, you don't believe

Please will you listen to what then did occur? the worl to  
him was all covered in fur un-somnambulist let me  
explain see the fur changed to wood grain everything  
can you believe it? but you don'

leve oo-oooh no, you don't believe no, you don't believe

but you don't believe oo-oooh no, you don't believe no,  
you don't believe? "
