Billy Radcliffe didn't go to town  
And when we looked up  
He was looking right down  
Catching blue in his eyes that were brown  
Billy Radcliffe  
(Billy Radcliffe)

Billy Radcliffe owned by the state  
From his first breath  
To the cemetery gate  
He was the first boy born in space  
Billy Radcliffe  
(Billy Radcliffe)

Billy Radcliffe very first one  
He really had lived just a cursed son  
A split in half man sang the cherubim  
Billy Radcliffe  
(Billy Radcliffe)

Billy Radcliffe saw what the Devil man he saw  
He saw a spot of blue in black of the eye of the Lord  
Such a cruel love  
Is the kind that has wrought oh Billy  
Billy Radcliffe

Billy sadly didn't live long  
He had to stay there  
Because he wasn't too strong  
He's stepping out the door  
Blowing up like bomb  
Billy Radcliffe  
(Billy Radcliffe)

Billy Radcliffe very first one  
Really a hatched man a light switch son  
A split in half man sang the cherubim

Billy Radcliffe very first one  
A split in half man sang the cherubim  
I bet you cried when he died now didja  
Now didja ?

Now Billy Radcliffe saw what the Devil man he saw  
He saw a spot of blue in black of the eye of the Lord Oh  
Billy  
Billy Radcliffe saw what the Devil man had  
And I feel very bad for  
William Radcliffe
