At the dark end of the street
That's where we'll always meet
Hiding in shadows where we don't belong
Living in darkness to hide our wrong

You and me
At the dark end of the street
You and me

I know that time is gonna take its toll
We have to pay for the love that we stole
It's a sin and we know that it's wrong
Oh, but our love keeps coming on strong

Steal away
(Steal away)
To the dark end of the street

They're gonna find us
They're gonna find us
They're gonna find us someday

You and me
At the dark end of the street
You and me

And when the daylight hour's 'round
And by chance we're both downtown
If we should meet or just walk on by
Oh, my darling please don't you cry

Tonight we'll meet
At the dark end of the street
