Let me tell you what I would do
I'd consider the possibility of a mistake
Yeah, if I were you
I would give me a break
Do you feel bad about it?
Do you feel sad about it?
Do you feel sick about it
This parting of the ways?
I don't want to chat about it
I want to scream and shout about it
'cause I ain't had it about this
this parting of the ways
well, I served you up all my affection
but that didn't work out so great
and I'd help you with your defection
but I still think I'm your best fate
let me tell you what I would do
I'd consider the possibility of a mistake
Yeah, if I were you
I would give me a break

Do you feel bad about it?
Do you feel sad about it?
Do you feel sick about it
This parting of the ways?
I don't want to chat about it
I want to scream and shout about it
'cause I ain't had it about this
this parting of the ways
well, I never will be ashamed
of begging you-begging you
for
more
of the same
