Some call it the ribbon  
Some say the white line  
I say truckstop living  
Well it suits me fine

Every day of the week (x2)

We heard some other fellers talking  
I think it's going to be a good fight  
Tonight the radio is rocking  
I'm going to hear my favorite song

If it takes all night (x5)

I'm going to wash my favorite shirt  
In downtown Marseilles  
It's got the same old dirt  
From up in Calais, oh oh

How many days and weeks? (x2)

Now every job it is important  
But still sometimes the money's right  
I saw the ghost of Johnny Horton  
He said we're going to make el paso

If it takes all night (x8)

I lost my favorite cook  
He left little Siam  
For many years I looked  
He said here I am, oh oh

Every day of the week (x2)

Some got to go and see their mama  
Some got to play a show tonight  
I got to go and see my baby  
When next I sleep I'll be with her

If it takes all night (x16)
