Maybe on the street
Maybe on the beach
Maybe I'll see you at the mall

Jesus was right
Yeah, I don't wanna fight at all
At all

I wanna be alone
I wanna be inside my headphones
I skate for transportation
Play guitar for elevation
Into a state of my own

I like distortion when I bar chord
A lonely parking lot
When I ride on my board

Maybe on the beach
Maybe on the street
Maybe I'll see you in the hall

I wanna be alone

Jesus was right
Yeah, I don't wanna fight at all

I wanna be alone
I wanna be inside my headphones
I skate for transportation
Play guitar for elevation
Into a state of my own

I like distortion when I bar chord
A lonely parking lot
When I ride on my board

Like distortion when I bar chord
A lonely parking lot
When I ride on my board

Like distortion when I bar chord

A lonely parking lot
When I ride on my board
