I met a man  
He was a good man  
Sailing and shoring  
Dancing the beta can-can  
Making me foreign  
Oh yeah

I want to live in los angeles  
Not the one in los angeles  
No, not the one in south california  
The got one in south patagonia

I want to live in los angeles  
Not the one in los angeles  
They got a bunch down in moleville  
They got a bunch more still

I want to live in los angeles  
Not the one is los angeles  
They got one in twenty-five two five  
Works just like a beehive

I want to live in los angeles  
Not the one in los angeles  
Counting helicopters on a saturday night  
The symphony of the fair light

I hear them saying los angeles  
In all the black and white movies  
And if you think they star-spangled us  
How come we say los angeleez?

I'll wait in los angeles  
I'll wait in the pouring sun  
No way  
For not anyone  
No way

I met a man  
He was a good man  
Sailing and shoring  
He got a betatron, man

Talking that foreign  
Oh yeah

I'll wait in los angeles  
I'll wait in the pouring sun  
No way  
For not anyone  
No way
