Georgie Porgie used to get real high  
He used to kiss the world til he made her cry  
He was under the bottles command  
But last winter he got it together  
And happiness came with the warmer weather  
Layin across all the land  
He had a love and she liked to drink  
She got it together but you know what I think  
I think she was still feelin glum  
She got a gun and she shot him in the head  
She shot herself and so they were wed  
As the air conditioner hummed

Sing for joy  
Sing for laughs  
Sing for joy  
Sing for joy  
If nothin else  
Sing for joy

Mama killed her pumpkin  
She thought it was a sweet  
She put it on the table but it was still meat  
She forgot the sugar again  
Daddy came home  
She had tears in her eyes  
He said Gimme grilled cheese and paper bag french  
fries  
See he forgot the sugar again

We had a wonder seven years out west  
It wasn't exactly the wildnerness  
But I felt like it is real light

Mama is a gypsy she'll never find uptown  
Daddy went to sea but the boat went down  
And the flames shot into the night

Sing for joy  
Sing for laughs  
Sing for joy  
Sing for joy

If nothin else  
Sing for joy

I know a girl who lives on a hill  
I don't know if her sister will  
But I was thinkin about her best friend

Oh listen to me I'm a desperate boy  
I think I better have a sing for joy  
And I think this has just got to end

I'll getaway in my getaway car  
Every now and then I'll send my regards  
From a payphone down in the flats

I'm sorry for the love I'm sorry for the pain  
I'll say I'm sorry baby again and again  
I'm sorry we're joinin the stats

Sing for joy  
Sing for laughs  
Sing for joy  
Sing for joy  
If nothin else  
Sing for joy
