I love you
I love you
I love you
Sunny

Sunny
The dark days are gone
And the bright days are here
My sunny won't shine so sincere
Sunny
What's so true?
I love you

Rewind back

Sunny
Yesterday my life was filled with pain
Sunny
You smiled at me and here you eased the pain
The dark days are gone
And the bright days are here
My sunny won't shine so sincere
Sunny
What's so true?
I love you

I love you

I can do, can do, can do, can do
Rewind back

Sunny
Yesterday my life was filled with blame
Sunny
You spotted me and here you eased the pain
The dark days are gone
And the bright days are here
My sunny won't shine so sincere
Sunny
What's so true?
I love you

I love you, Love you, love you, love you, I love you,
love you, love love you, I love you

Sunny

Yesterday my life was filled with pain

Sunny

You smiled at me and here you eased the pain

The dark days are gone

And the bright days are here

My sunny won't shine so sincere

Sunny

What's so true?

I love you

Rewind back, wind back, wind back! (fading)
