There's a perfect explanation for the shit that I've been  
in  
As soon as I find out I'll let you know  
And if it's any consolation well, your horse is going to  
win  
'Cause mine and all the others are just too slow

There's a coastline I'd like to go back  
And if you don't mind I'm going to turn 'round in my  
tracks  
It's good to be back down on the coastline  
We lost contact and I hope that you don't mind  
I was trying to save us both some time

There's a coastline I'd like to go back  
And if you don't mind I'm going to turn 'round in my  
tracks  
It's good to be back down on the coastline  
We lost contact and I hope that you don't mind  
I was trying to save us both some time
