Winter blows through my coat  
It's chilling my bones  
But it does not compare  
To your cold heart of stone

I pledged you my love  
And I gave you my car  
Now you're parking with him  
Yeah, I know where you are

Winter blows through my coat  
It's chilling my bones  
But it does not compare  
To your cold heart of stone

Your favorite perfume  
Well, I gave you a tub  
Now, you're stepping out  
For your rubba dub dub

If ever you need  
Don't call  
If ever you need  
Don't call

I once had a dog  
Who ran from his home  
But that wasn't even close  
To your cold heart of stone

Winter blows through my coat  
It's chilling my bones  
But it does not compare  
To your cold heart of stone

Winter blows through my coat  
It's chilling my bones  
But it does not compare  
To your cold heart of stone

If ever you need  
Don't call

If ever you need  
Don't call  
If ever you need  
Don't call
