Hermaphroditos is my name
Whatcha playing?
Hermaphroditos is my name
Worship me

Hermaphroditos is my name
Why are you saying?
Hermaphroditos is my name

How do you love me
Deeply with your scalpel?
I got a mouthful
Of suicidal drugs

I am a dog
I am a sculpture
You hate my features
And you name me for a God

Hermaphroditos is my name
Whatcha playing?
Hermaphroditos is my name
Worship me

Hermaphroditos is my name
Why are you saying?
Hermaphroditos is my name

Forget you yin
And go fuck your yang
It seems that you rang
And it seems I'm only answering

Remember when
I was almost ready?
But it was then
That I was gone already

And I'm still around
But who wants to listen
To my voice in
Your prison?

Hermaphroditos is my name
Whatcha playing?
Hermaphroditos is my name
Worship me

Hermaphroditos is my name
Why are you saying?
Hermaphroditos is my name
Hermaphroditos is my name
Hermaphroditos is my name
