My favorite kiss
Just when her mouth is warm
Yes, that's definitely my favorite one

Earth be torn
Let out the fabled twist
The wanting is there
But there is nothing left to go on

In seven days, I'll be in Baltimore
In two more weeks, I'll be in Dallas Fort Worth
In one more minute, I'll be gone

Sky be torn
Send down the fabled twist
The wanting is there
But there is nothing left to go on

In seven days, I'll be in Baltimore
In two more weeks I'll be in Dallas Fort Worth
In one more minute, I'll be gone

In seven days, I'll be in Baltimore
In two more weeks, I'll be in Dallas Fort Worth
In one more minute, I'll be gone
In one more minute, I'll be gone
